

Primary 5 Term 3 2024

Here is a list of some of the topics we are planning to do in Primary 5 in Term 3. We hope this information sheet will help you when you are talking to your child about what they are doing in school.

Mathematics

- Continue work on addition, subtraction, multiplication and division
- Multiplication by 20, 30 40 etc
- Problem solving involving addition, subtraction, multiplication and division
- Investigations
- Volume of liquids and solids
- Area and perimeter of regular and irregular shapes
- Coordinates
- 3D shape- recognise and construct a variety of 3D shapes
- Data handling- Carroll diagrams, bar graphs relating to topic work
- Calendar work and timetables
- Right angles, acute angles and obtuse angles
- Length- use of metres, centimetres and millimetres

Literacy

- Reading- guided, shared and home reading activities
- Grammar- direct speech, similes, apostrophe of possession, proverbs, abbreviations, animal homes, pronouns
- Phonics – learning spellings and exploring phonic patterns
- Writing related to topic work and reading

The World Around Us

- Skeleton
- Recycling
- Animal classification- mammals, reptiles, birds, fish and amphibians
- Egypt- learn about Tutankhamen, find out about Egyptian gods, Pharaohs, the afterlife and pyramids

We will also:

- Discuss the importance of taking responsibility for your own actions
- Learn what the Bible teaches us about parables
- Use the computer for a wide range of different activities
- Discuss the benefits of healthy eating and a healthy lifestyle
- Practise for Sports Week and House competitions

We greatly appreciate your help in the supervision of homework and would ask you to *sign all written homework to show it is of an acceptable standard.*

Please remember to send an email if your child is absent for any reason or if you need to contact your child's teacher. Thank you for your continued support.

Mrs Brown, Miss Riddell
